

Comtech Telecommunications Corp. Announces \$3.5 Million Satellite Service Order

May 22, 2019

MELVILLE, N.Y.--(BUSINESS WIRE)--May 22, 2019-- May 22, 2019-- Comtech Telecommunications Corp. (NASDAQ:CMTL) announced today that during its third quarter of fiscal 2019, its Command & Control Technologies group, which is part of Comtech's Government Solutions segment, received a \$3.5 million follow-on, satellite service order from a major national security solutions provider.

"This follow-on order demonstrates the continued importance of Comtech's ability to deliver critical satellite service to the U.S. Government by working closely with our industry partners," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp.

The Command & Control Technologies group is a leading provider of mission-critical, highly-mobile C4ISR solutions.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
