

Comtech Telecommunications Corp. Awarded Multiple Orders Totaling Approximately \$3.6 Million for Data Communication High-Power Amplifiers

September 10, 2019

MELVILLE, N.Y.--(BUSINESS WIRE)-- September 10, 2019-- Comtech Telecommunications Corp. (NASDAQ: CMTL) announced today that during its fourth quarter of fiscal 2019, its New York-based subsidiary, Comtech PST Corp., which is part of Comtech's Government Solutions segment, received multiple orders totaling approximately \$3.6 Million for solid-state high-power RF amplifiers from a major domestic prime contractor.

These amplifiers are key elements in complex data communication systems and these orders supplement an installed base of Comtech solid-state high-power RF amplifiers previously delivered to this major domestic prime contractor.

In commenting on this contract award, Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. said, "These follow-on orders clearly demonstrate our continued leadership position in providing communications technology and the ongoing demand for our solid-state high-power amplifiers that are utilized by major OEMs in both domestic and international markets."

Comtech PST Corp. (www.comtechpst.com) is a leading independent supplier of broadband, high-power, high performance RF microwave amplifiers and control components for use in a broad spectrum of applications including defense, medical, satellite communications systems and instrumentation.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.
