

Comtech Awarded in Excess of \$19.7 Million Funding from U.S. Army

October 3, 2018

MELVILLE, N.Y.--(BUSINESS WIRE)--Oct. 3, 2018-- October 3, 2018-- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that during its first quarter of fiscal 2019, its Command & Control Technologies group, which is part of Comtech's Government Solutions segment, received funding in excess of \$19.7 million to provide satellite communications and baseband equipment to the Deploying Security Forces.

"Comtech continues to remain a trusted provider to the maneuver elements of the armed forces by delivering reliable, secure communications systems," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "This additional funding further illustrates that Comtech continues to make important contributions to their mission success."

The Command & Control Technologies group is a leading provider of mission-critical, highly-mobile C4ISR solutions.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
