

Comtech Telecommunications Corp. Announces \$7.1 Million Order for City of Baltimore

November 7, 2018

MELVILLE, N.Y.--(BUSINESS WIRE)--Nov. 7, 2018-- November 7, 2018-- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that during its first quarter of fiscal 2019, its Command & Control Technologies group, which is part of Comtech's Government Solutions segment, received an order totaling \$7.1 million to deliver advanced communication solutions for the City of Baltimore.

Under this order, Comtech will continue to provide critical Information Technology (IT) staffing and support to various agencies within the City of Baltimore, including the Baltimore City Office of Information & Technology (BCIT), the Baltimore City Police Department, Department of Public Works and other City Agencies. Comtech has been supporting the City of Baltimore under this Contract since 2015.

"These network services continue to be a critical asset to the City of Baltimore's IT and network infrastructures," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "Comtech will continue to provide Baltimore city agencies with key web-based and database development, implement network security and support the City of Baltimore's local and wide area networks."

The Command & Control Technologies group is a leading provider of mission-critical, highly-mobile C4ISR solutions.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.
