

Comtech Telecommunications Corp. Awarded \$3.7 Million of Funding to Support State of Maryland Department of Human Services with IT Services

November 16, 2021

MELVILLE, N.Y.--(BUSINESS WIRE)--Nov. 16, 2021-- November 16, 2021-- Comtech Telecommunications Corp. (NASDAQ: CMTL), a leading global provider of next-generation 911 emergency systems and secure wireless communications technologies, announced today, that during its first quarter of fiscal 2022, it was awarded \$3.7 million of funding to provide the State of Maryland Department of Human Services ("DHS") with statewide Technical Operations Support Services ("TOSS"). Comtech and its experienced team members work directly with the personnel of DHS to develop, maintain and support the IT needs of DHS.

"Through our provisioning of high quality IT services on a consistent basis, we've become a trusted partner to the State of Maryland DHS. We look forward to continuing to provide service at an optimal level to all state agencies included in this extension of the contract," said Fred Kornberg, Chairman of the Board and Chief Executive Officer of Comtech Telecommunications Corp.

The Maryland DHS is the state's primary social service provider, annually reaching more than one million people. Through its 24 local departments of social services, the agency pursues opportunities to assist people in economic need, provide preventive services, and protect vulnerable children and adults in each of Maryland's 23 counties and Baltimore City. Additional information may be found at dhs.maryland.gov.

Comtech Telecommunications Corp. is a leading global provider of next-generation 911 emergency systems and secure wireless communications technologies to commercial and government customers around the world. Headquartered in Melville, New York and with a passion for customer success, Comtech designs, produces and markets advanced and secure wireless solutions.
