Comtech Telecommunications Corp. Receives \$1.4 Million Order from Major U.S. Mobile Network Operator

MELVILLE, N.Y.--(BUSINESS WIRE)-- March 26, 2018 -- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that during its third quarter of fiscal 2018, Comtech's Enterprise Technologies group, which is part of its Commercial Solutions segment, has received a \$1.4 million funded order from a major U.S. mobile network operator for the supply of [Location-Based Services \(LBS\)](#) software. The order is part of a multi-year development, deployment and support contract that expands the suite of products and services that Comtech has been providing over the past decade.

"This latest order from a major network operator validates our continuing role as a trusted, global provider of premiere LBS solutions to the mobile industry," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "We are appreciative of our long-term business relationship with this customer and are dedicated to meeting and exceeding their expectations now and into the future."

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
