Comtech Telecommunications Corp. Receives \$4.0 Million of Additional Orders on Its Movement Tracking System Contract

MELVILLE, N.Y., Jan 13, 2004 (BUSINESS WIRE) -- Comtech Telecommunications Corp. (NASDAQ:CMTL) announced today that its Maryland-based subsidiary, Comtech Mobile Datacom Corp., has recently received \$4.0 million of orders relating to its Movement Tracking System, or MTS, contract with the U.S. Army Logistics Command. These orders, which include a \$2.5 million order for installation, training and support, bring the total orders on the \$418 million contract to-date to approximately \$88.3 million.

The orders received are for both equipment and services. The equipment orders are for mobile satellite transceivers and related hardware, as well as installation kits. The remaining orders are for installation, training and support activities in Kuwait, Iraq and selected Army bases in the United States.

Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp., said, "These additional orders are evidence of the Army's continuing interest in the MTS program."

Comtech Mobile Datacom Corp., a Germantown, Maryland-based company, is engaged in the provision of satellite-based packet data communication systems and location and messaging services. To learn more about Comtech Mobile Datacom, please visit the company's website at www.comtechmobile.com.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company conducts its business through three complementary segments: telecommunications transmission, RF microwave amplifiers, and mobile data communications. The Company offers niche products, systems and services where it believes it has technological, engineering, systems design or other expertise that differentiate its product offerings.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
