Comtech Telecommunications Corp. to Report Second Quarter Results on March 8th

MELVILLE, N.Y., Mar 01, 2006 (BUSINESS WIRE) -- Comtech Telecommunications Corp. (Nasdaq: CMTL), a leading provider of products, systems and services for advanced communications solutions, today announced that it will report its second quarter results after the market closes on Wednesday, March 8, 2006. The Company has scheduled an investor conference call for Thursday, March 9, 2006 at 8:30 am ET. Investors are invited to access a live webcast of the conference call from the news section of the Comtech web site at www.comtechtel.com. Alternatively, investors can access the conference call by dialing (877) 707-9628 (domestic), or (785) 832-2422 (international) and using the conference I.D. of "Comtech." A replay of the conference call will be available for seven days by dialing (402) 220-4973.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company conducts its business through three complementary segments: telecommunications transmission, mobile data communications, and RF microwave amplifiers. The Company offers niche products, systems and services where it believes it has technological, engineering, systems design or other expertise that differentiate its product offerings.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
