Comtech Telecommunications Corp. Announces a \$2.3 Million Contract Modification for Additional Mobile Communications Equipment

MELVILLE, N.Y., Feb 3, 2004 (BUSINESS WIRE) -- Comtech Telecommunications Corp. (Nasdaq: CMTL) announced today that it has received a \$2.3 million contract modification for additional mobile digital line-of-sight microwave communications equipment. This modification relates to the Company's \$42 million contract with a large U.S. prime contractor which was awarded in October 2002.

The contract modification was awarded to Comtech's Orlando, Florida - based subsidiary, Comtech Systems, Inc. Comtech Systems will supply fully synthesized, line-of-sight microwave radios in various configurations.

Comtech Systems, Inc. (www.comtechsystems.com) specializes in system design, integration, supply and commissioning of turnkey communication systems including satellite, over-the-horizon microwave and line-of-sight microwave systems.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company conducts its business through three complementary segments: telecommunications transmission, mobile data communications, and RF microwave amplifiers. The Company offers niche products, systems and services where it believes it has technological, engineering, systems design or other expertise that differentiate its product offerings.
