## **Comtech Awarded Orders of Approximately \$13.8 Million from the U.S. Army to Provide Sustainment Services For Mobile Satellite Communication Terminals**

MELVILLE, N.Y.--(BUSINESS WIRE)-- May 31, 2018-- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that during its third quarter of fiscal 2018, its Command & Control Technologies group, which is part of Comtech's Government Solutions segment, has received \$13.8 million in additional funding to provide ongoing sustainment services for personnel in the field who require quick and mobile satellite communication terminals.

"We are pleased to provide sustainment services for our U.S. Army customer. Our commitment to support our warfighters remains a top priority, and we are pleased that the U.S. Army continues to put their trust in Comtech to perform this important work," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp.

The Command & Control Technologies group is a leading provider of mission-critical, highly-mobile C4ISR solutions.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
