## **Comtech Telecommunications Corp. Receives \$1.7 Million Contract for High-Power Amplifiers**

MELVILLE, N.Y.--(BUSINESS WIRE)-- April 15, 2014--Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that its Melville, New York-based subsidiary, Comtech PST Corp., received a \$1.7 million contract from a major domestic OEM to supply high-power amplifiers.

These amplifiers are key components in a complex Identification Friend or Foe (IFF) system used to interrogate aircraft to determine their friend or foe status. This order supplements an installed base of Comtech IFF high-power amplifiers previously delivered to this customer.

Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp., said, "This order reaffirms Comtech's product performance, quality and reliability, as well as the continuation of our relationship with this premier supplier of IFF systems to both U.S. and international customers."

Comtech PST Corp. ([www.comtechpst.com](http://www.comtechpst.com)) is a leading independent supplier of broadband, high-power, high performance RF microwave amplifiers for use in a broad spectrum of applications including defense, medical, satellite communications systems and instrumentation.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company believes many of its solutions play a vital role in providing or enhancing communication capabilities when terrestrial communications infrastructure is unavailable, inefficient or too expensive. The Company conducts business through three complementary segments: telecommunications transmission, RF microwave amplifiers and mobile data communications. The Company sells products to a diverse customer base in the global commercial and government communications markets. The Company believes it is a market leader in the market segments that it serves.
