Comtech Telecommunications Corp. Receives Additional \$3 Million Blue Force Tracking Order for Its Mobile Data Communications Products

MELVILLE, N.Y., May 11, 2004 (BUSINESS WIRE) -- Comtech Telecommunications Corp. (Nasdaq:CMTL) announced today that it has received a \$3.0 million order for mobile data communications products. The order was awarded to the Company's Maryland-based subsidiary, Comtech Mobile Datacom Corp.

The order is for the supply of mobile terminal transceivers for Force XXI Battle Command Brigade and Below - Blue Force Tracking (FBCB2-BFT), a battle command real-time situational awareness command and control system. Although the award relates to the FBCB2-BFT program, it was ordered against the Company's U.S. Army Movement Tracking System contract, bringing the total orders received to-date against the \$418.2 million contract to \$99.8 million.

Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp., said, "These orders are further evidence of the ongoing role our technology is playing in the Blue Force Tracking program. We are proud of our participation in the program and look forward to continuing our important role in the future."

Comtech Mobile Datacom Corp., a Germantown, Maryland-based company, is engaged in the provision of satellite-based packet data communication systems and location and messaging services. To learn more about Comtech Mobile Datacom, please visit the company's website at www.comtechmobile.com.

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company conducts its business through three complementary segments: telecommunications transmission, RF microwave amplifiers, and mobile data communications. The Company offers niche products, systems and services where it believes it has technological, engineering, systems design or other expertise that differentiate its product offerings.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
