## **Comtech Telecommunications Corp. Distributes Shares in Connection with 3-for-2 Stock Split**

MELVILLE, N.Y., Jul 14, 2003 (BUSINESS WIRE) --

Comtech Telecommunications Corp. (Nasdaq: CMTL), a leading provider of products, systems and services for advanced communications solutions, reported that additional shares, representing dividend shares relating to its previously announced three-for-two stock split, are being distributed today after the U.S. markets close. Cash will be distributed in lieu of any fractional shares.

Comtech Telecommunications Corp. ([www.comtechtel.com](http://www.comtechtel.com)) is an innovative player in domestic and global high-technology markets. Through its operating units, Comtech pursues opportunities in three interrelated market segments: telecommunications transmission, RF microwave amplifiers, and mobile data communications services. In each of these segments, growth has been driven by the increasing demand for telecommunications infrastructure and network and messaging services. The Company's specialties include the design of and manufacture of advanced products and networks used for transmission of voice, data and video using satellite, over-the-horizon microwave, terrestrial line-of-sight and other wireless communications systems. More than 300 distinct Comtech products are in service in more than 100 countries.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
