## **Comtech Telecommunications Corp. Announces \$4.4 Million of Orders for City of Baltimore**

MELVILLE, N.Y.--(BUSINESS WIRE)-- November 8, 2016--Comtech Telecommunications Corp. (Nasdaq: CMTL), announced today that during its first quarter of fiscal 2017, Comtech's Command & Control Technologies Group, which is part of its Government Solutions segment, received orders totaling \$4.4 million to deliver advanced communication solutions for the City of Baltimore.

Pursuant to these orders, Comtech will provide critical information technology ("IT") staffing and support to various agencies within the City of Baltimore, including the Mayor's Office of Information Technology ("MOIT"), the Baltimore City Police Department, and other City Agencies.

"Comtech has been working with current MOIT staff to provide key web-based and database development, implement network security and support the City of Baltimore's local and wide area networks," said Fred Kornberg, President and Chief Executive Officer of Comtech Telecommunications Corp. "These network services are critical to the City of Baltimore's IT and network infrastructures."

Comtech Telecommunications Corp. designs, develops, produces and markets innovative products, systems and services for advanced communications solutions. The Company sells products to a diverse customer base in the global commercial and government communications markets.

Certain information in this press release contains statements that are forward-looking in nature and involve certain significant risks and uncertainties. Actual results could differ materially from such forward-looking information. The Company's Securities and Exchange Commission filings identify many such risks and uncertainties. Any forward-looking information in this press release is qualified in its entirety by the risks and uncertainties described in such Securities and Exchange Commission filings.
