TeleCommunication Systems, Inc. Executive to Speak at the 2011 APCO Western States Regional Conference & Exposition

Public-Safety Industry Expert John Hunt to Discuss Next Generation 9-1-1

Note: Comtech Acquired TCS on 2/23/2016

ANNAPOLIS, MD, Feb 07, 2011 -- TeleCommunication Systems, Inc. (TCS) (NASDAQ: TSYS), a world leader in highly reliable and secure mobile communication technology, today announced that John Hunt, director of Next Generation 9-1-1 (NG9-1-1), will present "Gaining Perspective on Next Generation 9-1-1" at the 2011 Association of Public-Safety Communications Officials (APCO) Western States Regional Conference & Exposition on February 8th in Ontario, California. The conference brings together public-safety industry professionals and influential leaders to discuss new technologies and market developments in NG9-1-1.

WHAT: The presentation of "Gaining Perspective on Next Generation 911" will address key considerations for Public-Safety Answering Point (PSAP) authorities in formulating their NG9-1-1 plans, including drivers behind the transition to NG9-1-1, the required changes, and the realistic options of funding and deployment.

WHO: John Hunt, director of Next Generation 9-1-1, TeleCommunication Systems, Inc. Mr. Hunt brings more than 34 years of experience with top tier carriers, including in 9-1-1, enhanced 9-1-1 (E9-1-1), and public safety communications. He is a long-standing member of both APCO International and the National Emergency Number Association (NENA). He has served as the Governor of Michigan's appointee to the state's 9-1-1 Committee for more than two decades.

WHERE: 2011 APCO Western States Regional Conference & Exposition Ontario Convention Center, Ontario, California

WHEN: Tuesday, February 8, 2011 at 11:00 AM PST
