TeleCommunication Systems to Present at the 2014 Gateway Conference on September 4

Note: Comtech Acquired TCS on 2/23/2016

ANNAPOLIS, Md., Aug. 29, 2014 /PRNewswire/ -- **TeleCommunication Systems, Inc. (TCS)** (NASDAQ: TSYS), a world leader in highly reliable and secure [mobile communication technology](#), has been invited to present at the [2014 Gateway Conference](#) which is being held on Thursday, September 4, 2014 at The Palace Hotel in San Francisco.

TCS management is scheduled to present at 10:00 a.m. Pacific time, with one-on-one meetings throughout the day. Management will discuss the company's recent financial and operational progress, including its role in 9-1-1, cyber security and C4ISR, as well as its progress monetizing the company's growing portfolio of intellectual property.

About the Gateway Conference

The Gateway Conference is designed to provide a unique gateway between influential members of the investment community and a select group of compelling publicly-traded companies. Portfolio managers, research analysts and brokers from buy-side and sell-side institutions will have the opportunity to learn about more than 60 small-cap growth companies from a number of growth industries, including technology, business services, digital media, clean-tech, consumer, Internet retail and life sciences. For more information, visit www.gateway-conference.com.

The invitation-only conference is hosted by Liolios Group, one of the nation's top investor relations agencies, and sponsored by leading firms that service the financial community. For more information about Liolios Group, visit www.liolios.com.
